### Description

The self facing gravity feed display keeps products in view of your customers, stimulating impulse sales and increasing your profits. The adjustable shelves and dividers attractively accommodate multiple product sizes and maintain an organized appearance for shoppers ease. This cart has four customizable options including # of shelves, # of dividers, Visi-Floor, price channels. Zinc plating under powder coat finish provides added protection for longevity.

#### Now featuring **Visi-Floor™!**

Visi-Floor™ is a labor saving gravity feed merchandising system that accommodates multiple product sizes and shapes for all categories. Based on the proven technology of Visibility Slide, Visi-Floor™ saves labor and increases profit by keeping product up-front within easy reach. The system adapts to cartons, multi-packs, heavy or light products, refrigerated, frozen and warm shelf goods.
