Description

This zinc plated, folding cart is equipped with 3 solid sheet metal shelves that are sloped 1-1/8" from front to back to provide optimal load handling stability and product retention. Shelf clearance is 19-3/4" between the top and middle shelf and 20-1/8" between the middle and bottom shelf, distance from the floor to the top front of the first shelf is 9-3/8". Folding to a depth of 8-1/2" this cart can be easily stored away in secured racks or nested in an L-frame configuration when not in use. With 2 swivel casters and 2 rigid casters, the operator is able to maintain total control of the cart.

-Egg Capacity: 240 Dozen
